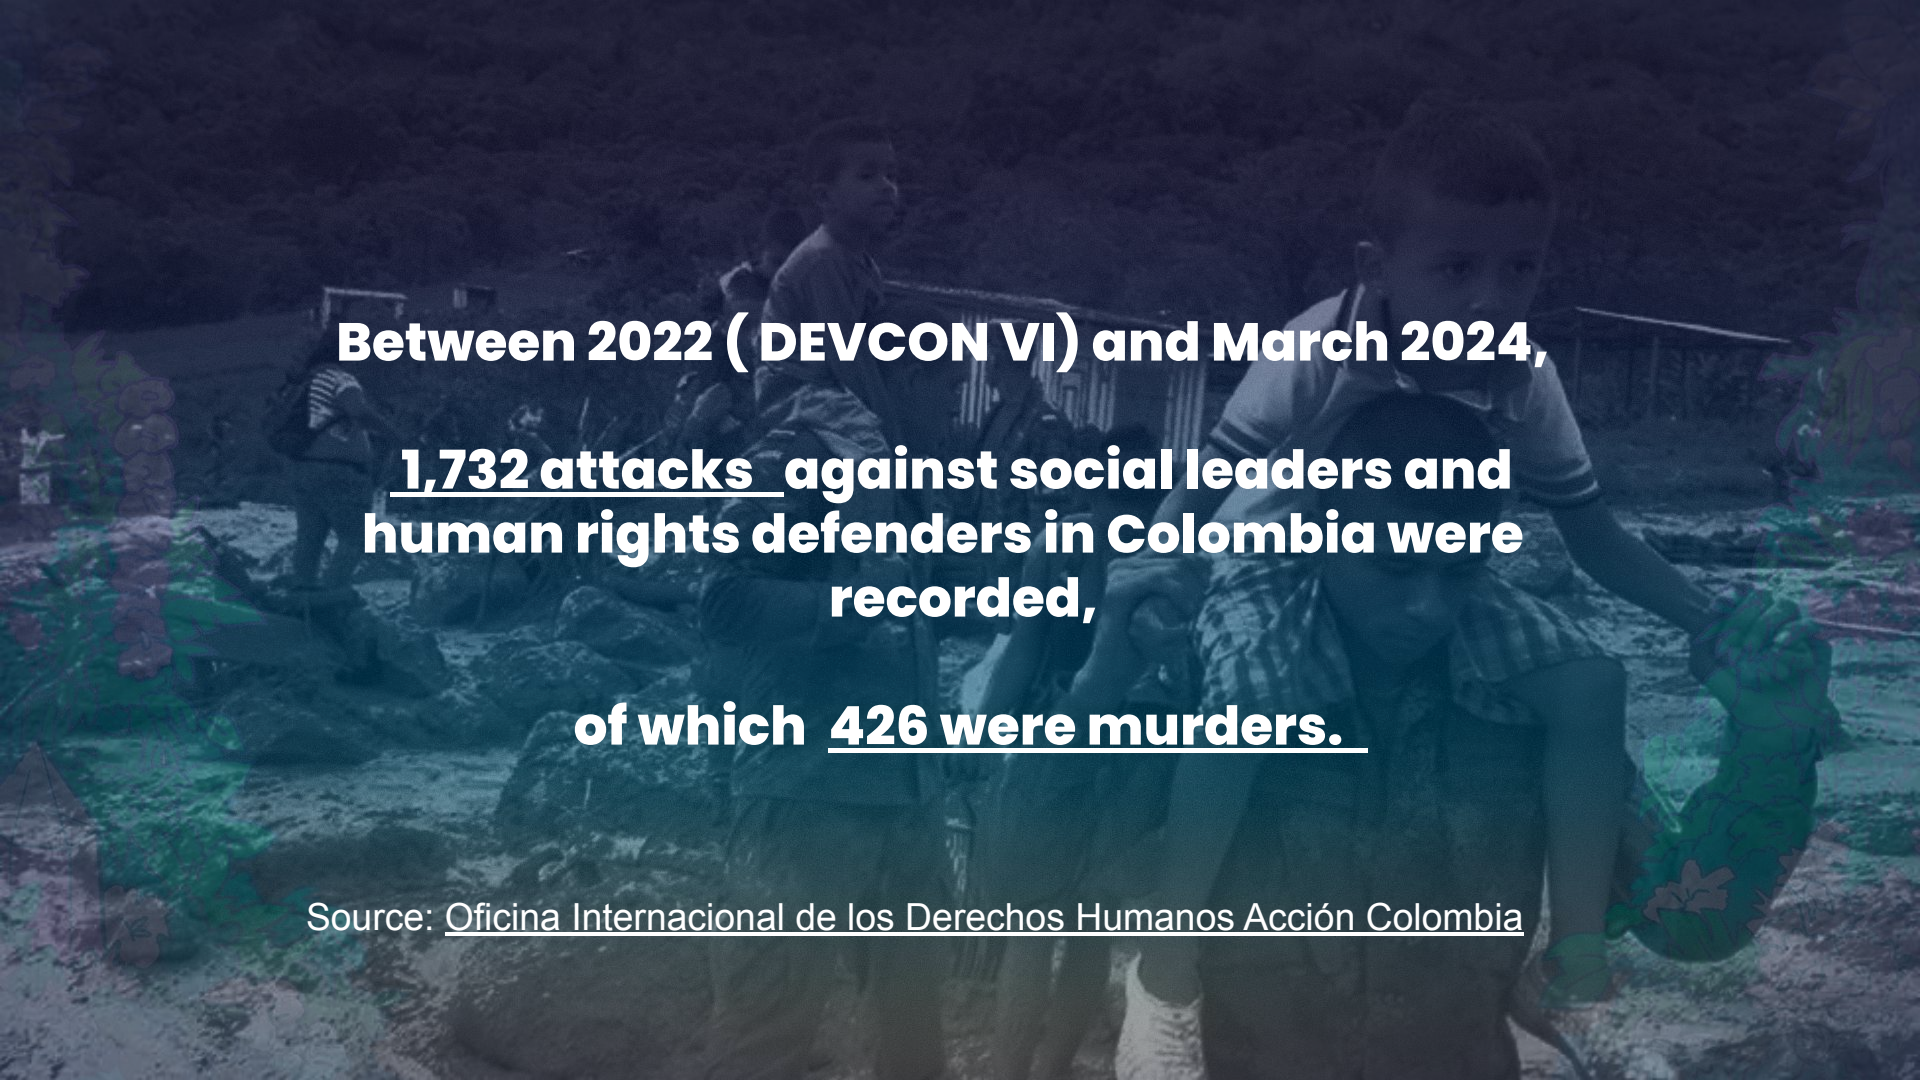
Emerson’s Legacy

Creating free-access education on Ethereum as a way of Real Hope and Change in Vulnerable Communities

Are we all committed to this mission or do you want to take just a victim role regarding this case?

With this decision, we are creating opportunities where before there weren’t any



Between 2022 (DEVCON VI) and March 2024,

1,732 attacks against social leaders and human rights defenders in Colombia were recorded,

of which 426 were murders.
