# Putting Intents and Users Together

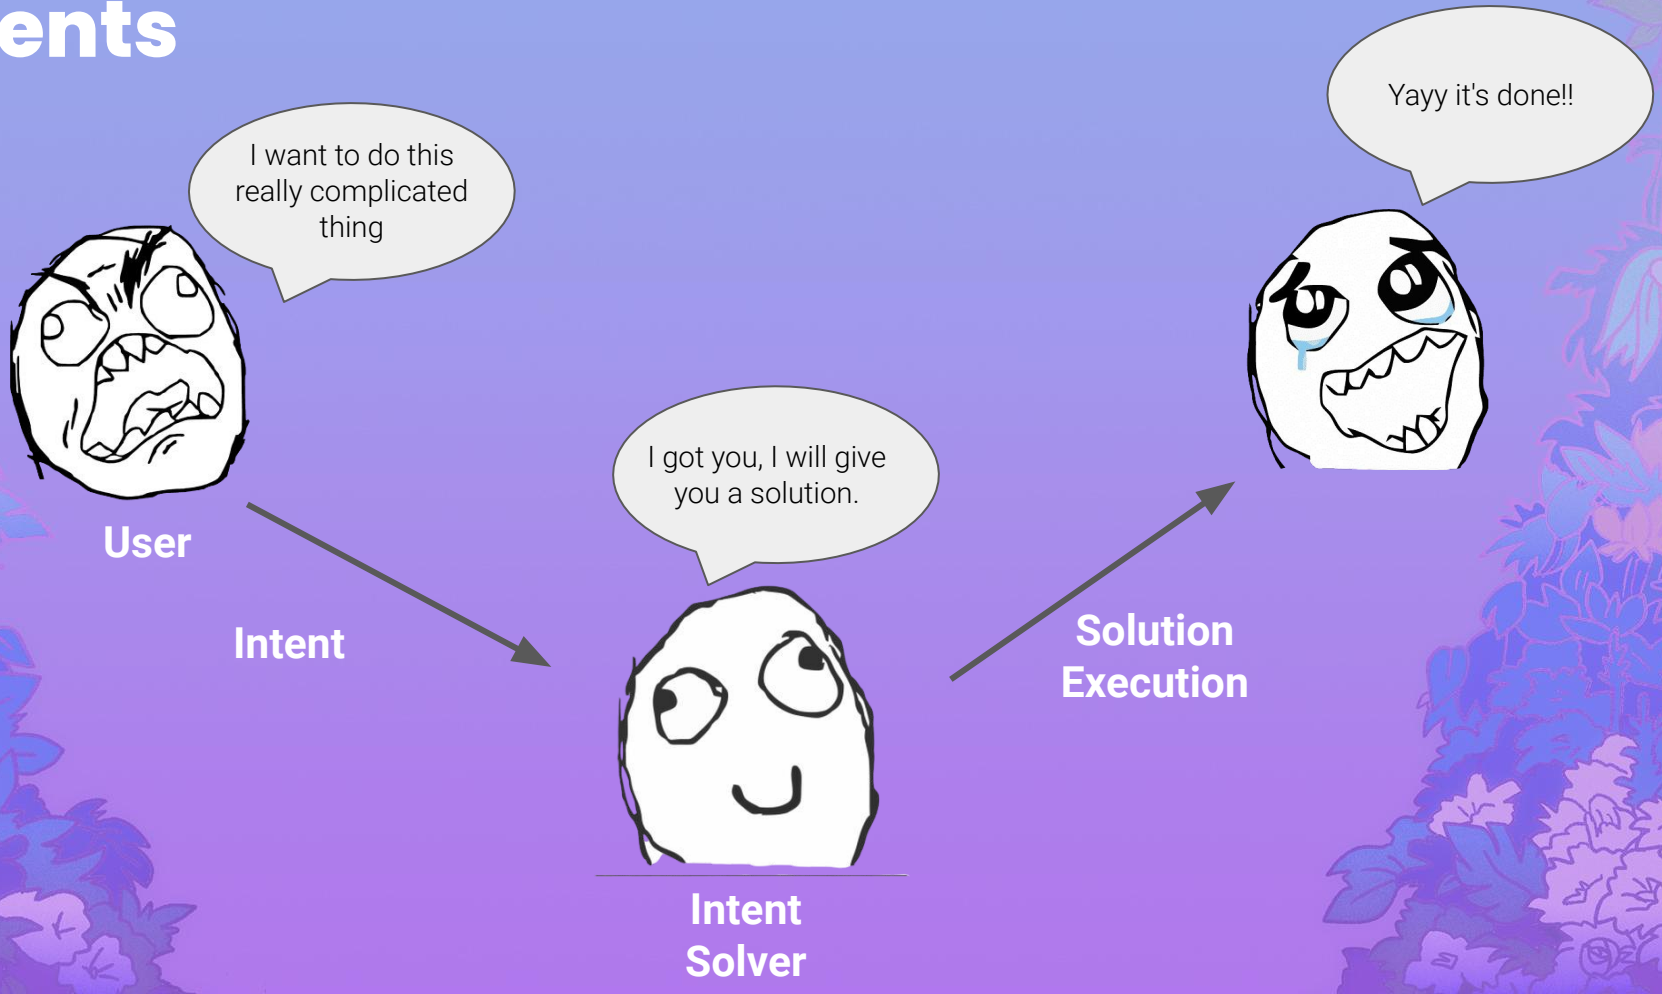
Making Intents Approachable

**Abhimanyu**

Co-Founder

Epoch Protocol

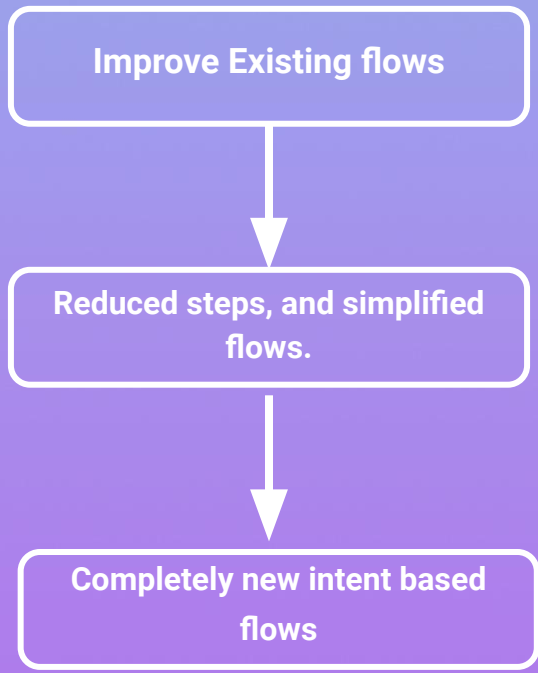
# Intents



I want to do this really complicated thing
User
Intent
I got you, I will give you a solution.
Intent Solver
Solution Execution
Yayy it's done!!

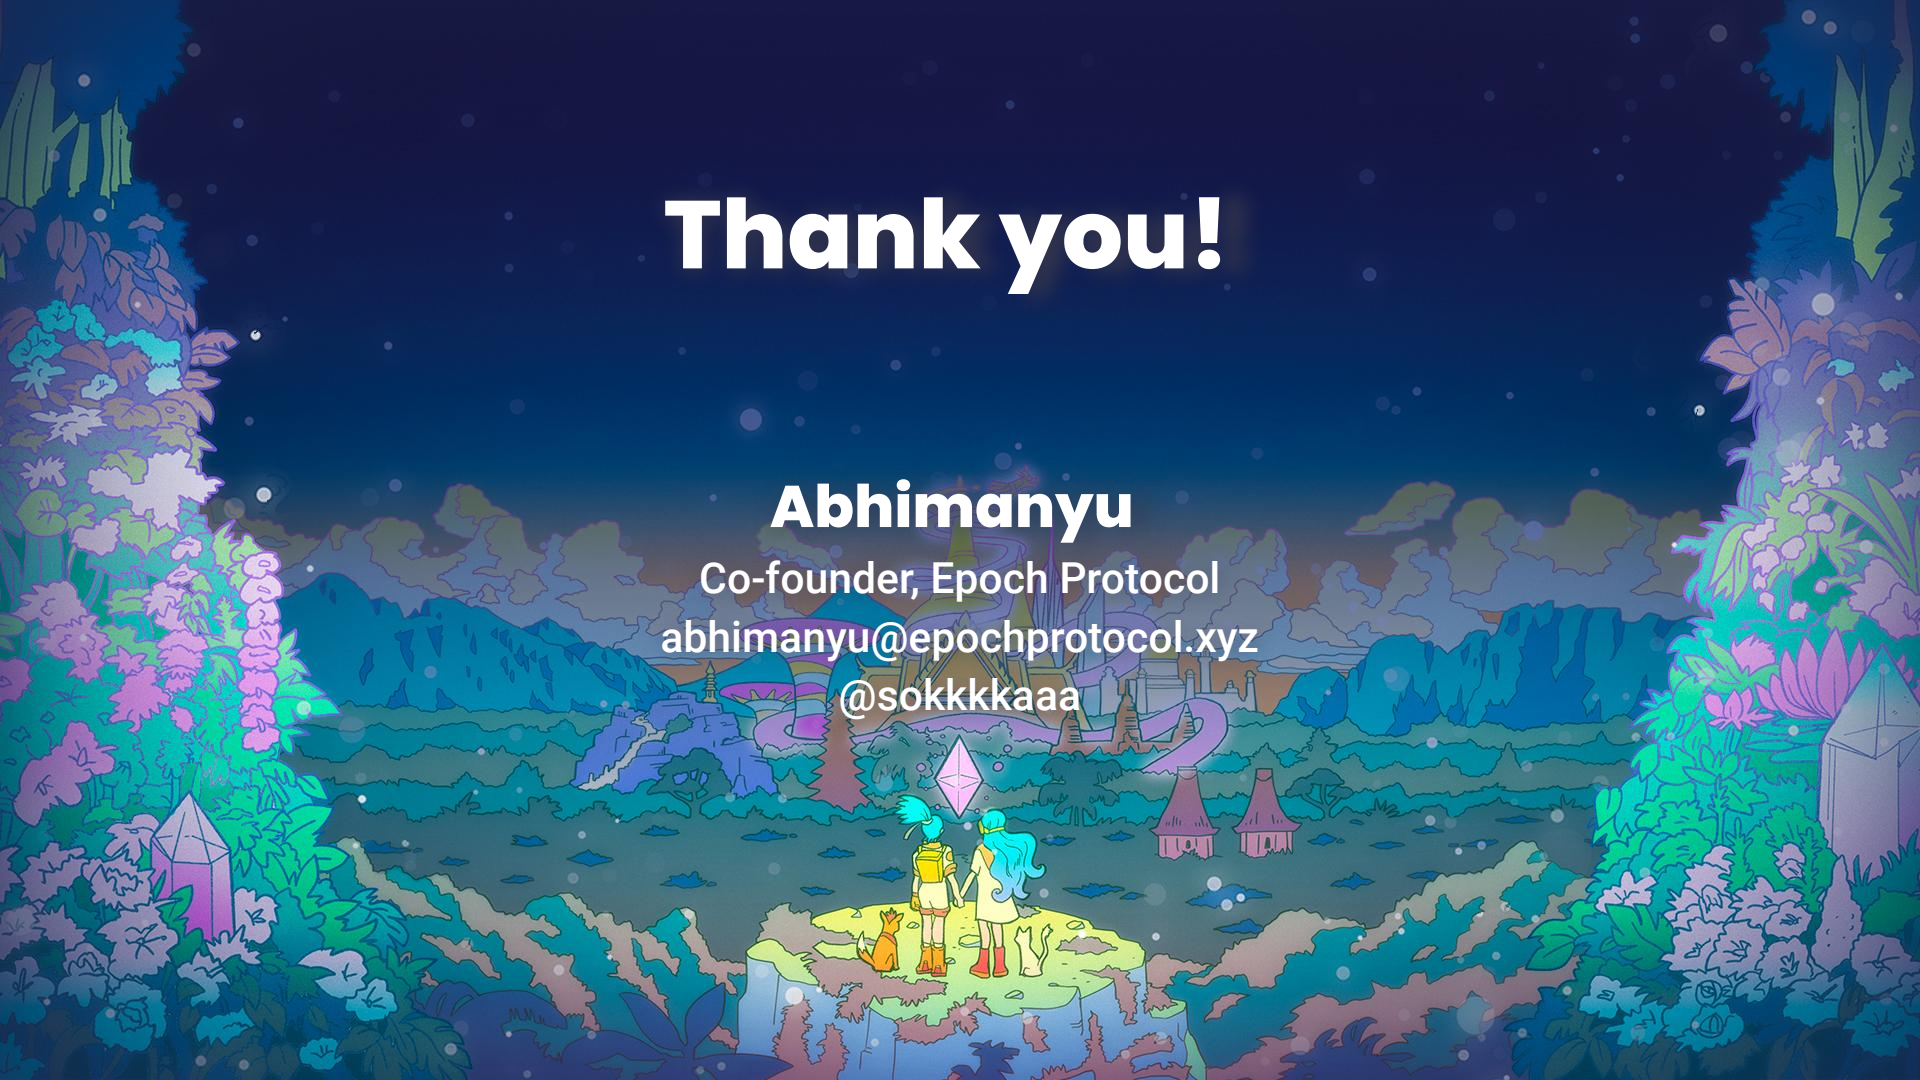
# Users are reluctant to try new flows!

# Middle ground



# Leveraging latest ERCs and EIPs

| | |
|---|---|
| Smooth UX and Tx through EOA. | EIP-7702 |
| Bundling and Gas | ERC-4337 |
| Wallet Interoperability | ERC-7579 |
| Cross-chain execution | ERC-7683 |



Thank you!
